3. Data-driven decision making is an important component of MBI. Will your team have access to office referral, disciplinary action and other types of data to use in the assessment and decision-making process? Does your team have access to some type of software system for data management (i.e., Microsoft Excel or other spreadsheet)?
4. It is important to schedule a regular meeting time for the MBI team. In the beginning, the team should meet frequently (e.g. one to three times each month. Consider if release time or other arrangements will need to be made to allow the team time to meet.
